Dear BHS Students and Families,

We are happy to share our fall after school offerings! **All programming begins Monday, October 4th.**

### After-school Procedures

All students are required to submit this permission slip. Paper copies can be submitted to Ms. Jackie in the lobby during morning arrival, or can be emailed to [jacqueline.carrier@k497.org](mailto:jacqueline.carrier@k497.org).

After school activities will run from 3:30pm-5:30pm. At the conclusion of the school day, students should proceed to the activity of their choosing, no pre registration is required. Students attending a program that concludes at 4:30pm are free to join another activity until 5:30pm or self-dismiss.

### Safety Protocols

All DOE safety procedures and CDC guidelines will be adhered to for all after school programs. Mask wearing is required for all staff and students.

### Our Middle School CCM Partnership

For middle school students, in addition to our BHS teacher-led after school programs, we currently are supported by CCM (Community, Counseling, and Mediation). For these programs, you will need to complete a separate consent form. THE CCM schedule can be accessed [HERE](#) and the permission slip [HERE](#). The hours for CCM are 3:30pm-6:30pm.
