Dear BHS Students and Families,

We are happy to share our fall after school offerings! **All programming begins on Monday, October 3th.**

After-School Procedures

All students are required to submit this permission slip. Paper copies can be submitted to your advisor, or emailed directly to jacqueline.carrier@k497.org.

After school activities will run from 3:30pm-5:30pm. At the conclusion of the school day (3:20pm), students should proceed to the activity of their choosing, no pre-registration is required. Students attending a program that concludes at 4:30pm will self-dismiss or are free to join another activity until 5:30pm.

Safety Protocols

All BHS policies and safety procedures will be adhered to for all after school programs.

Our Middle School CCM Partnership

For middle school students, in addition to our BHS teacher-led after school programs, we currently are supported by CCM (Community, Counseling, and Mediation). For these programs, you will need to complete a separate consent form. The hours for CCM are 3:30pm-6:00pm. Their afterschool program begins on September 19th.
